- a** Liabilities of a Member, other than for loss of, or damage to, or for loss of earnings or use of the entered ship or the cost of any contracted services, arising from and/or in respect of the towage of an entered ship

Provided that there shall be no recovery in respect of liabilities, costs and expenses incurred under or pursuant to the terms of a contract for towage of an entered ship, unless that contract:

- (i) Is entered into during the ordinary course of trading for the purpose of entering, leaving or manoeuvring within a port;

- (iv) Incorporates a term to the effect that each of the Owner of the entered Ship and the owner of the towing vessel shall be responsible for any loss or damage to his own vessel, and for loss of life or personal injury on his own vessel, without any recourse whatsoever against the other.

- b** Liabilities of a Member arising from and/or in respect of towage by the entered ship,
Provided that in respect of liability for loss of or damage to or wreck removal of a vessel or other floating structure towed by the entered Ship or the cargo or other property on such tow (together with costs and expenses associated therewith), there shall be no recovery under this Clause save insofar as:
- (i) the towage or attempt thereat is made for the purpose of saving or attempting to save life or property at sea, or
 - (ii) the entered ship is towing under a contract approved in writing by the Managers on such terms as they may require; or
 - (iii) If the entered Ship is working under a time charter and there is no contract between the Owner and the owner of the tow, the Managers have approved in writing the terms of that time charter.

 - (i) *A term or terms of the contract complying with **(d)** above is or is likely to be unlawful or unenforceable in whole or in part; and*
 - (ii) *The contract does not impose on the Member any liability to any person arising out of any act, neglect or default of the owner of the tow or any other person; and*
 - (iii) *The contract limits the liability of the Member under the contract or otherwise to the maximum extent possible by law.*

In addition, the Managers recommend in all cases, and particularly when cargo is carried on board the towed vessel, that;

- 1) *a Himalaya clause or similar provision should be incorporated in the towage or other contract under which the entered ship is hired to perform towage services, to protect the tug owner's own employees, servants and sub-contractors from being sued in tort by the hirer or charterer of the tug; and*
- 2) *the towage or other contract under which the entered ship is hired to perform towage services should include a requirement that any other contract entered into by the hirer or charterer of the tug with any third party should contain a Himalaya clause, under which the tug is afforded the same defences as the hirer or charterer.*

 - (b)** The casualty or event giving rise to a claim under paragraph **a** of this Clause **21 xi** occurred during the period of the ship's entry in the Club, and in the case of actual, constructive or compromised total loss of the entered ship the Member shall continue to be covered by the Club in respect of such liabilities notwithstanding the provisions of Clause **33 ii**.
- b** Liabilities arising out of the presence or involuntary shifting of, or obstruction caused by, the wreck of an entered ship, including any part thereof or cargo, equipment or other property carried thereon.

Provided always that

in respect of paragraph **b** of this Clause **21 xi**:

- (i)** The event causing the loss or wreck of the entered ship has occurred during the period of entry of that ship in the Club and liability is attributable to such event;

Provided that if any such proceeds are realised by the Member after reimbursement by the Club and without deduction in accordance with paragraphs **(i)** and **(ii)** above, the Member shall pay any such proceeds to the Club up to the amount of any prior reimbursement.

- d** Unless the Managers otherwise agree in writing, there shall be no recovery under this Clause **21 xi** or any other Clause in respect of any liability, costs or expenses incurred by the Member after the transfer of its interest in the cargo or wreck, otherwise than by abandonment, prior to the actual or attempted raising, removal, destruction, lighting or marking of the wreck or prior to incurring any other liabilities covered by this Clause **21 xi**;
- e** There shall be no recovery under this Clause **21 xi** in respect of any liabilities arising under the terms of any contract or undertaking other than a charterparty of the entered ship to which the Member is a party, unless approved in writing by the Managers on such terms as they may require.

Note: A Member should ensure wherever possible that any bill of lading or other contract of carriage to which any other is the contracting party contains a provision in the same or substantially the same form as the "Himalaya" clause set out under the 'Clauses recommended by the Association' at the end of these terms, extending any exemptions and immunities of the carrier to that Member, and to each of his servants, agents and subcontractors.

Through and transshipment bills of lading

- (ii) Where a through or transshipment bill of lading or other contract of carriage has been issued by the Member in accordance with paragraph **d** of this Clause **21 xiii** there shall be no recovery from the Club in respect of liabilities, costs or expenses incurred by the Member under or in connection with such a bill of lading or other contract of carriage, unless the Member preserves its rights of recourse against any sub-contractor by sub-contracting only on terms that:

 - (a) in the case of a deviation authorised by the Member, it shall prior thereto have given notice of the same to the Managers, or in the case of a deviation without its authority, it shall have given notice to the Managers immediately upon receiving information thereof, and the Managers have in writing agreed cover in respect of such losses, costs and expenses on such terms as they may require; or
 - (b) to the extent that the Directors in their discretion otherwise determine.

Note: If the contract of carriage contains an appropriate Voyage Liberty Clause, an example of which is set out under 'Clauses Recommended by the Association' at the end of these terms, some unplanned deviations may be permissible. The Managers may in such circumstances determine that no additional premium is to be paid by the Member. (The shipment of cargo on deck without a specific statement to that effect in the Bill of Lading may amount to a deviation in addition to an infringement of the requirements of proviso **(x)** to this Clause **21 xiii**).

Valuable Cargo

- (iv) There shall be no recovery from the Club in respect of any liabilities, costs or expenses arising out of the carriage of specie, bullion, precious or rare metals or stones, plate, jewellery or other objects of a rare or precious nature, banknotes or other forms of currency, bonds or other negotiable instruments, unless the contract of carriage relating thereto and the spaces, apparatus and means in which the same are to be carried and the instructions given with regard to the safe custody thereof have been approved in writing by the Managers on such terms as they may require.

Ad valorem bills of lading

- (v) There shall be no recovery from the Club in respect of any liabilities, costs or other expenses arising out of carriage under an ad valorem bill of lading or other document of title, waybill or other contract of carriage in which a value of more than United States dollars two thousand five hundred (USD 2,500) (or the equivalent in any other currency) is declared and/or inserted by reference to a unit, piece, package or otherwise, where the effect of such a declaration/insertion is to deprive the carrier of any right or rights of limitation to which he would otherwise have been entitled and cause him to incur a greater liability than he would have done but for such declaration/insertion, to the extent that such liability thereby exceeds United States dollars two thousand five hundred (USD 2,500) (or the equivalent in any other currency) in respect of any such unit piece or package, unless the contract of carriage has been approved in writing by the Managers on such terms as they may require.

Refrigerated Cargo

- (vi) The Managers may at any time require to be satisfied as to the spaces, plant and apparatus, and means used for the carriage of refrigerated cargo in an entered ship, the instructions given to those on board and the terms of the contract of carriage under which

the same is to be carried, and the Member shall upon such request supply the relevant information to the Managers. In the event the Managers withhold their approval and so notify the Member in writing, there shall be no recovery from the Club in respect of any loss of or damage to such refrigerated cargo carried upon any voyage which began after the service on the Member of such notice.

Member's Own Cargo

- (vii) If the cargo in respect of which a claim is made on the Club under paragraphs **a - d** of this Clause **21 xiii** is owned by the Member and where agreed in writing by the Managers upon such terms as they may require, the Member shall be entitled to recover from the Club and the Club Clauses shall apply in all respects as if such cargo belonged to a third party, and that third party had concluded a contract of carriage of the cargo with the Member on the terms of the Club's recommended standard terms of carriage as referred to in **proviso (i)** above.

Discretionary Claims

- (viii) Unless and to the extent that the Directors shall in their absolute discretion otherwise determine, (and in any event only if they are satisfied that the Member took such steps as appear to those Directors to be reasonable to avoid the event or circumstances giving rise to such liabilities, costs and expenses), there shall be no recovery from the Club under paragraphs **a - d** of this Clause **21 xiii** in respect of the Member's liabilities, costs or expenses arising out of:
 - (a) the discharge of the cargo or any part thereof at any port or place other than a port or place permitted by the relevant contract of carriage;
 - (b) the delivery of cargo carried on an entered ship under a negotiable bill of lading or similar document of title (including an electronic bill of lading) without the production (or equivalent thereof in the case of an electronic bill of lading) of that bill of lading or document by the person to whom delivery is made, except where cargo has been carried on an entered ship:
 - (i) under the terms of a non-negotiable bill of lading, waybill or other non-negotiable document, and despite having been properly delivered as required by that document, liability nevertheless arises under the terms of a negotiable bill of lading or other similar document of title (issued by or on behalf of a party other than the Member) providing for carriage in part upon the entered ship and in part upon another ship or by another mode of transport, or
 - (ii) under the terms of an approved electronic trading system and has been properly delivered to the person so entitled in accordance herewith;
 - (c) the delivery of cargo carried under a non-negotiable bill of lading, waybill or similar document without production of such document by the person to whom delivery is made, where such production is required pursuant to the terms of and/or the law applicable to that document, except where the Member is obliged by law to deliver or relinquish custody of the cargo, without production of such document;
 - (d) the issue of an ante dated or post dated bill of lading, waybill or other document containing or evidencing the contract of carriage;
 - (e) the issue of a bill of lading, waybill or other document containing or evidencing the contract of carriage known by the Member or the Master of the entered ship to contain an incorrect description of the cargo or its condition or quantity;
 - (f) the failure to arrive or late arrival of an entered ship at any port of loading, or out of the failure to load or delay in loading any particular cargo or cargoes in an entered ship otherwise than under a bill of lading already issued.
 - (g) the carriage of cargo to the port or place identified in the contract of carriage as the destination from any other port or place at which the cargo has been discharged and/or storage or other charges or expenses of any intermediate port or place.

Loss of Freight or Hire, Detention or Demurrage

- (ix) Loss of freight or hire or any proportion thereof, or claims for demurrage on, detention of, or delay to an entered ship shall be recoverable under this Clause **21 xiii** if, but only if, such loss or claim forms part of a claim for liabilities in respect of cargo or is, with the consent of the Managers, included in the settlement of a claim;

Deck Cargo

- (x) Unless and to the extent otherwise agreed in writing by the Managers, there shall be no recovery from the Club in respect of liabilities for loss, shortage, damage or other responsibility arising out of the carriage of cargo on deck unless the cargo and the ship are,

in the opinion of the Managers, suitable for carriage on deck and the Bill of Lading or other contract of carriage:

- (a) states that the cargo is carried on deck and either provides that the carrier is free from all liability for loss of or damage to cargo or provides the carrier with rights, immunities and limitations no less favourable than those contained in the Hague Rules or Hague-Visby Rules; or
- (b) contains an appropriate liberty to carry cargo on deck and provides for the Hague Rules or the Hague-Visby Rules to apply to such cargo.

Note: A suitably worded deck cargo carriage clause may exclude liability for deck cargo where the Hague Rules or Hague-Visby Rules do not apply. Two examples are set out under the 'Clauses Recommended by the Association' at the end of these terms. A clause giving general permission to carry on deck may not be "an appropriate liberty" for the purposes of paragraph (b) of proviso (x) to this Clause 21 xiii. The Managers will on request but at the Member's expense endeavour to arrange an insurance to cover the Member's liability in respect of cargo carried otherwise than in accordance with paragraphs (a) and (b) of proviso (x) to this Clause 21 xiii.

Exclusion of pollution liabilities

- (xi) There shall be no recovery under this Clause 21 xiii in respect of:
 - (a) any liabilities, losses, damages, costs or expenses caused by or consequent on the escape or discharge or threatened escape or discharge of oil or any other substance from the entered ship, including cargo or any property intended to be, being, or having been carried on, the entered ship;
 - (b) any liability, loss, damage, cost or expense, including, without limitation, liability for the cost of remedial works or clean-up operations, arising as a result of the disposal or discharge at, presence in, or the escape or discharge or threat of escape or discharge from, any land based dump, site, storage or disposal facility of any substance previously carried or intended for carriage on the entered ship whether as cargo, fuel, stores or waste and whether at any time mixed in whole or in part with any other substance whatsoever, unless the Directors shall in their absolute discretion otherwise determine

Heavy Lift Cargo

- (xii) There shall be no recovery from the Club in respect of loss of or damage to or wreck removal of cargo carried on a semi-submersible heavy lift vessel or any other vessel designed exclusively for the carriage of heavy lift cargo, save to the extent that such cargo is being carried under the terms of a contract on Heavycon terms or on such terms as the Managers may otherwise agree in writing.
- (xiii) Where the Member is liable by way of a claim for indemnity under a charterparty, recovery under this Clause 21 xiii shall be excluded or limited to the extent that the liability would have been avoided or reduced had provisos (i) to (xi) applied to the liability in respect of which indemnity is sought.

Livestock

- (xiv) Unless and to the extent otherwise agreed in writing by the Managers, there shall be no recovery from the Club under paragraphs a to d of this Clause 21 xiii in respect of any liabilities, costs and expenses arising out of or incurred in consequence of the intended or actual carriage of live animals.

b Immigration laws

Fines for breach of any law or regulation relating to immigration;

c Pollution

provided always that:

the Member is insured for pollution liability by the Club, and subject to the terms of entry, the Clauses, and the limit of liability applicable to such cover.

d Smuggling

Fines for smuggling or any infringement of any customs law or customs regulation other than in relation to cargo carried on the entered ship.

e Other Fines

There shall be no recovery in respect of fines other than those specified in paragraphs **a - d** of this Clause **21 xv** unless the Member has satisfied the Directors that it took such steps as appear to the Directors to be reasonable to avoid the event giving rise to the fine;

provided always that:

Any amount claimed under paragraph **e** of this Clause **21 xv** in respect of any such fine shall be recoverable to such extent only as the Directors in their absolute discretion may determine without having to give any reason for their decision; and without prejudice to any other provision, exclusion, limitation or condition set out in these Clauses, cover under this or any other Clause is subject to Clause **17 vi**.

provided always that:

a the amount recoverable from the Club shall under no circumstances exceed the market value of the ship without commitment at the date of the confiscation;

b the Member shall have satisfied the Directors that it took such steps as appear to the Directors to be reasonable to prevent the infringement of the customs law or customs regulation giving rise to the confiscation;

c any amount claimed under this Clause **21 xvi** shall be recoverable to such extent only as the Directors in their absolute discretion may determine without having to give any reason for their decision;

d no such claim shall be considered by the Directors until such time as the Owner has been finally deprived of his full interest in the entered ship.

xvii Enquiry

Costs and expenses incurred by a Member in defending himself or in protecting his interests before a formal enquiry into the loss of or casualty to an entered ship in cases which, in the opinion of the Managers, may affect any claim upon the Club arising out of such loss or casualty.

xviii Expenses Incidental to Chartering

Liabilities, costs and expenses incidental to the business of chartering, operating or managing ships which the Directors may decide to be within the scope of the cover of the Club. Claims under this paragraph shall be recoverable to such extent only as the Directors in their absolute discretion may determine without having to give reasons for their decision.

xix Legal and other Expenses

a Legal costs and Expenses

Costs and expenses including legal costs and charges, which a Member may incur in respect of any liability or expenditure against which he is insured by the Club;

b Sue and Labour

c Expenses incurred under direction of Club

Costs, expenses and losses which a Member may incur by special direction of the Club in relation to claims which the Directors consider affect or may affect the interests of the Members or the Club ;

- (i) the same have been incurred with the consent in writing of the Managers, or
- (ii) the Directors in their absolute discretion shall otherwise determine.

xx Loss of or Damage to Containers

loss of or damage to containers owned or leased by the Member;

provided always that:

there shall be no recovery under this Clause **21 xx** unless the Member has obtained the prior written agreement of the Managers to extend his cover in terms of this Clause and the Member has agreed to such special terms, and has agreed to pay such additional premium, as the Managers may require.

xxi Deductibles and Policy Limits

- a** any liabilities, costs and expenses recoverable under Clause **21** shall be subject to such deductible(s) as may have been agreed between the Managers and the Member, and
- b** any amount recoverable by the Member hereunder up to the policy limit shall be reduced by the amount of such deductible(s).

Deductibles to be applied to particular claims will be on the basis agreed between the Managers and Members as part of the terms and conditions upon which the entry of the ship is either accepted or continued. In the absence of contrary notification from the Club, the deductibles applicable to any particular entry at the end of any policy year shall be deemed to continue to apply to that entry in the next policy year.

22 Damage to Hull, Charterers' Proportion of General Average and Salvage Contributions

The liabilities, loss, damage, costs and expenses against which a Member may be protected and indemnified if entered in the Club for any of the risks set out in sub-Clauses

22 (i) – Damage to Hull;

22 (ii) – Charterers' Proportion of General Average and Salvage contributions;

are limited to those set out hereunder;

Subject always to:

- a** The terms of this Clause and of all other Clauses of Charterers' cover; and
- b** Any other terms and conditions applicable to the Member's entry.

Damage to Hull

i a In respect of its liabilities as Charterer to the Owner of the entered ship:

- (i) For physical loss of or damage to the entered ship, its equipment, fittings, stores and supplies, excluding any property on board of whatsoever nature owned or leased by the Member or any other party in common or associated ownership or management, save that where the Member's liability for such loss arises under the terms of any contract with, or indemnity to the Owners, (other than the charterparty of the entered ship to which the Member is a party), or any third party, such terms have been approved in writing by the Managers.
- (ii) For delay, detention or loss of use of the entered ship consequent on its physical loss or damage. Where by virtue of the provisions of the charterparty to which the Member is party the entered ship remains on hire, or time continues to run during periods of time lost in

- (b) bunker consumption;

for that period shall be recoverable under this sub-Clause.

- (a) The economic value of the bunkers removed from the entered ship and/or the new and sound bunkers supplied to the entered ship;
 - (b) Costs and expenses resulting from measures which have been or could have been accomplished by personnel employed by the Member or by the reasonable use of equipment owned and controlled by the Member, and

Charterers' Proportion of General Average and Salvage Contributions

- ii In respect A Member shall be entitled to recover its liability to contribute to general average and/or salvage on freight or, to the extent not covered by other insurances, bunkers and/or property other than cargo on board the entered ship.

Clarifications to Clause 21

Clause 21 i, ii, iii - various Crew aspects:

Members are reminded that liability in respect of permanent, temporary or substitute crew may vary largely on the basis of the actual conditions of the crew contract or other type or form of contract for service or employment of crew.

Cover in respect of crew is available in accordance with the Rules and terms of entry, however excluding liabilities in respect of crew insofar as these liabilities fall within the scope and limits of other insurances placed in respect of crew, or are otherwise recoverable under social security systems. Such insurance terms and limits, and any subsequent material amendments thereto, to be notified to the Club.

Clause 21 (ii) h – Loss of Baggage and Effects:

Members are reminded that cover for seamen's effects is restricted to the liability as per the Applicable Law and does not therefore automatically include coverage for cars, motorcycles or other exceptional

property of the crewmember, irrespective of possible contractual terms. Please also refer to the definition of 'Effects' under Clause 2. Any special terms of entry stating otherwise shall be endorsed on the Certificate of Entry.

Clause 21 iii c - Passengers:

Members are reminded that cover for any liabilities, costs and expenses in respect of passengers, meaning any person carried on board the entered ship pursuant to a contract for carriage, is excluded unless prior approval has been obtained and special terms of entry agreed and endorsed on the Certificate of Entry.

Clause 21 ix- Towage:

The expression "towage" in the Clauses includes any operation in connection with the holding, pushing, pulling, moving, escorting or guiding of or standing by of the "towed" vessel.

Reference to "habitually towed" includes, inter alia, dumb barges.

Cover in respect of liabilities under other special or dedicated contracts may be possible, but only subject to the Managers' approval prior to the towage and special terms of entry being agreed and endorsed on the Certificate of Entry.

The Directors may in their absolute discretion reject or reduce a claim if they consider it was unreasonable, having regard to all the circumstances of the case, to have entered into the particular contract.

Members are reminded that with regard to tugs, pushboats and any other type of vessel performing operations as mentioned under the expression "towage" cover is excluded for liabilities in respect of damage to and / or caused by the towed or pushed object including the cargo therein, up to the entered vessels' Hull and Machinery insured value.

Clause 21 x – Contracts and Indemnities:

Members are reminded that cover is excluded for liabilities arising under the terms of an indemnity or contract, unless prior approval has been obtained and special terms of entry agreed and endorsed on the Certificate of Entry.

Note: to avoid cover being prejudiced it is strongly recommended Members do not contract on an individual basis in respect of the normal operations of the entered ship without consulting the Managers.

Clause 21 xi - Removal of Wreck:

Members are reminded that where the liability arises, or the costs or expenses are incurred, under the terms of any contract or indemnity and would not have arisen but for those terms, such liability, costs or expenses are only recoverable if and to the extent that:

- (i) those terms have been approved and special terms of entry agreed and endorsed on the Certificate of Entry,
- (ii) the Directors in their absolute discretion decide that the Member should be reimbursed.

Where the liability arises, or the costs or expenses are incurred at a place owned, leased or occupied by the Member, the Member shall be entitled to the same rights of recovery from the Club, and the Club shall have the same rights as if the place were owned, leased or occupied by a third party, provided that the total liability of the Club in respect of any one incident shall not exceed the sum of USD 1,000,000 unless the Managers have agreed to provide additional cover upon such terms and conditions as they think fit and endorsed on the Certificate of Entry.

Clause 21 xiii - various Cargo aspects:

In relation to the proviso thereunder, a claim by the Member will not be rejected or reduced where the contract of carriage under which any cargo is or is intended to be carried on, in or by the entered ship on any voyage, is subject to terms no less favourable to the carrier than those of the Applicable Law.

Cargo carried by the entered vessel includes cargo on, in or by any other ship, lighter or barge or similar floating object, when it is actually carried as cargo in or on the entered vessel or such other ship, lighter or barge or similar floating object forming part of a combined unit which includes the entered vessel. Any

such ship, lighter or barge or similar floating object in a combined unit as aforesaid is not itself considered to be "cargo" for the purposes of this Clause.

Clause 21 xiii - specific Cargo aspects:

- (a) Cover includes the liabilities and additional costs and expenses incidental thereto, (over and above the costs which would have been incurred by the Member under the terms of the contract of carriage), incurred by the Member in reducing, averting, mitigating or minimising any loss, shortage or damage to cargo provided that there shall be no right of recovery unless the action taken by the Member has been approved by the Managers or the Member proves to the satisfaction of the Managers that, having regard to all the circumstances prevailing at the time, the Member acted with utmost care to prevent or reduce possible claims. In the case of temporary storage being required whilst awaiting re-coopering or repacking or after such re-coopering or repacking until delivery or on-carriage, cover shall only be available if and to the extent that the Managers have given their prior written approval.
- (b) NOTE: In the case of cargo carried in open holds there will be no right of recovery from the funds of the Club unless, in addition to anything provided for elsewhere in the Clauses or terms of entry, the cargo is suitable for carriage in open holds and such carriage (a) has been agreed with the Shipper in writing or (b) either is in accordance with the customary practice of the particular trade or is required by Regulations in force.

Clause 21 xiii proviso (iii) - Deviation:

Cover includes liabilities, costs and expenses arising from a deviation, in the sense of a departure from the contractually agreed voyage or adventure, or from events occurring before, during or after a deviation, if as a result of such deviation the Member is not deprived of any defences or rights of limitation which would otherwise have been available to him to eliminate or reduce his liability.

Clause 21 xiii proviso (viii) (b) – Delivery of Cargo:

Where for the "inland" trade cargo is carried without the issuing of bills of lading, there shall be no right of recovery from the Club unless the Member proves that such carriage is customary in the particular trade and at the particular port or place, and the Managers are satisfied that the Member took all reasonable steps to ensure the cargo was delivered to the rightful Owner.

Clause 21 xiv – Cargo's proportion of General Average:

A claim by the Member will not be rejected or reduced where the contract of carriage under which any cargo is or is intended to be carried on, in or by the entered ship on any voyage, is subject to terms no less favourable to the carrier than those of the Applicable Law.

Clause 21 xv (a) to (d) - Fines:

Cover includes the fines described therein if imposed upon any crewmember whom the Member may be legally liable to reimburse or reasonably reimburses with the agreement of the Managers.

Clause 21 xxi - Deductibles:

Where one incident gives rise to claims of a different nature, the aggregate of all claims resulting therefrom shall only be subject to the highest applicable deductible, unless any special terms of entry set out in the Certificate of Entry state otherwise.

The Club : The Steamship Mutual Underwriting Association Limited

Certificate of Entry: The Certificate of Entry and Acceptance issued

The Clauses : The Charterers Terms of Entry of The Steamship Mutual Underwriting Association Limited.

Members are further reminded that

- (a) With regard to General Average and "inland" trade the Rhine Rules 1979 or the I.V.R. Rules for G.A. are a suitable and approved alternative to the York Antwerp Rules 1994.
- (b) The Member shall pay on demand to the Club or its order the amount of any premium tax or other tax levied on or in connection with the insurance or reinsurance provided by the Club to the Member for which the Club determines it or the Member has or may become liable, and shall indemnify and hold harmless the Club in respect of any loss, damage, liability, cost or expense which the Club may incur in respect of such premium tax or other tax

and that the following provisions, exclusions and extensions apply:

Applicable Law:

The phrase "Applicable Law" means the provisions of Law in relation to the responsibilities, obligations, duties, rights, liabilities, immunities, exceptions and limitations of a carrier by water which are or would be applied by the competent Court to the particular contract but without regard to any express or special provisions contained therein relating to or otherwise regulating any of the aforesaid matters.

Trading Limits

Members are reminded that cover is provided solely in respect of vessels trading in European "inland waters" only and any deviation therefrom requires the prior approval of the Managers and shall be subject to special Terms of Entry to be agreed and endorsed on the Certificate of Entry. In this context "inland waters" means any harbour, dock, basin, lake, river, canal, or other inland water (whether natural or artificial and whether tidal or non-tidal) including any estuary or arm of the sea within or adjacent to a specified area, but otherwise excluding the open sea within territorial waters and the high seas.

- a) Claims brought by any party for whose benefit the work has been performed, or by any third party (whether connected with any party for whose benefit the work has been performed or not), in respect of the specialist nature of the operations; or
- b) The failure to perform such specialist operations by the Member or the fitness for purpose or quality of the Member's work, products or services, including any defect in the Member's work, products or services; or
- c) Any loss of or damage to the contract work.

Provided that this exclusion shall not apply to liabilities, costs and expenses incurred by the Member in respect of:

- i) loss of life, injury or illness of crew and other personnel on board the entered vessel,
- ii) the wreck removal of the entered vessel,
- iii) oil pollution emanating from an entered vessel or the threat thereof.

But only to the extent that such liabilities, costs and expenses are covered in accordance with the Clauses.

Excluding liabilities, costs and expenses arising out of salvage operations conducted by an entered ship, other than where the purpose of such operations is saving or attempting to save live at sea.

NOTE: Members are reminded that any additional cover is only available if prior approval has been obtained and special terms of entry agreed and endorsed on the Certificate of Entry.

Delay Cover Extension

- (b) the entered vessel has not contributed to the accident in any way whatsoever, or howsoever, directly or indirectly.
- (c) cover hereunder shall be subject to a deductible of 48 hours each incident, per vessel
- (d) cover hereunder shall be subject to a Limit of 20 days each incident, per vessel, or 30 days in the aggregate, per vessel, per Policy Year.
- (e) cover is restricted to a figure of EUR 0.50 per entered ton or € 0.50 per KW engine power for tugs and pushboats , per day, per vessel, pro rata per hour.

Cyber Exclusion Clause

2. Subject to the conditions, limitations and exclusions of the policy to which this clause attaches, the indemnity otherwise recoverable hereunder shall not be prejudiced by the use or operation of any computer, computer system, computer software programme, computer process or any other electronic system, if such use or operation is not as a means for inflicting harm.
