POLICY 2022

FISHING VESSEL LIABILITY INSURANCE

POLICY 2022

Who we are

We are The Shipowners' Mutual Protection and Indemnity Association (Luxembourg), a marine liability insurer, protecting the interests of vessel owners and operators on a mutual basis. This means that We operate as a non-profit making Club.

Your policy documentation

When We insure You, You become a Member of the Shipowners' Club and You will receive a Certificate of Insurance setting out the scope of cover and risks insured.

The protection we provide

You can expect Us to respond to all marine liability *claims* made against You, other than those We list under 'What is not covered (exclusions)' and those *claims* which are unrelated to owning and operating the vessel We insure for You. Within Your policy limits, the reasonable costs of investigating and defending *claims* are paid too.

For any *claim* to be payable it must arise from an *incident* which occurs during the period of insurance on Your Certificate of Insurance.

If You make Your vessel available for hire or charter to other parties, and Your crew remain on board and in command, Your liabilities are covered.

Your cover

We insure liability *claims* made against You as the owner or operator of the vessel named on Your Certificate of Insurance. The liabilities insured include:

Collision, fishing nets and property of others

Claims arising from collision with other vessels, whether or not contact occurs, or for loss of or damage to piers, wharves, jetties, pontoons or any property belonging to others including damage to their fishing nets.

Claims from other parties for personal injury or death which arise out of a collision.

For damage to vessels or property belonging wholly or in part to You, You shall have the same rights of recovery and We shall have the same rights as if such vessels or property belonged wholly to different owners.

Contractual liabilities and indemnities

We cover contractual liabilities and indemnities for illness, personal injury, death or property damage when these relate to Your vessel and concern its operation and management. This includes indemnities given to port or harbour authorities, boatyards, suppliers of goods and services to the vessel or permits and indemnities given to those who board the vessel for official or regulatory purposes. We will also agree to waive

Our rights of subrogation, if this is required by the contract.

This section insures liability which arises solely under the contract and the limit of cover is US\$ 5,000,000 any one *incident*.

If We have agreed to a higher limit, this will be shown in Your Certificate of Insurance.

This section does not include cover for contractual liabilities or indemnities which may appear in *crew* contracts.

Crew, Passengers and Others

Claims from Your crew, passengers and others to pay damages or compensation for personal injury, illness and death. Related medical costs and other expenses are covered, too.

Death and/or disability payments You provide under individually negotiated and agreed Seafarers' Employment Agreements (SEAs) or *crew* contracts so long as contractually agreed payments are reasonable and appropriate for the duties and position held by the *crew* when viewed against the prevailing compensation regime.

Diversion costs

The *extra costs and expenses* of fuel, insurance, wages, stores, provisions, and port charges incurred in diverting and awaiting *crew* replacement whilst Your vessel brings sick or injured *crew* or others ashore for urgent medical treatment, or to arrange the repatriation of dead bodies from Your vessel.

Fines

Fines imposed on You or any *crew* that You are obliged to reimburse for accidental escape or discharge of oil or other substances from Your vessel, breach by You of any immigration law or regulation, and smuggling or any breach by the Master or *crew* of any customs law or regulation.

Communicable Disease on board your Vessel

Additional expenses incurred by You as a direct result of an outbreak of Communicable Disease on board your vessel, including quarantine and disinfection expense, and the net loss to You (over and above Your expenses absent the outbreak) in respect of fuel, insurance, wages, stores, provisions and port charges.

Inquiries and criminal proceedings

If the Managers agree in writing, or the Board of the Shipowners' Club in its discretion decides in Your favour, then You may recover the reasonable costs and expenses of protecting Your interests at formal inquiries into a *casualty* and the reasonable costs of defending criminal proceedings brought against Your Master, *crew* and agents, if You have a responsibility for them.

Mitigation costs

When an event or matter arises which will or is likely to lead to

a *claim* under this policy, *You* are required to take reasonable steps to mitigate the loss and minimise the amount which would be paid as a *claim* under this insurance. *We* will reimburse the reasonable costs and expenses *You* incur for this purpose.

Personal effects

Claims for loss of or damage to *personal effects*. The maximum amount payable for *Your crew's personal effects* will be limited to US\$ 5,000 per person, per *claim*.

Piracy

You remain covered for any of the *claims* listed here under '*Your cover*' which arise following acts of piracy against *Your* vessel. Please note *Our* exclusion in respect of kidnap and ransom demands contained in 'What is not covered (exclusions)' – exclusion 13 below.

Pollution and environmental liabilities

Pollution from *Your* vessel, including the cost of clean up and reasonable measures taken to prevent an imminent risk of *pollution*.

For damage or contamination to property belonging wholly or in part to *You*, *You* shall have the same rights of recovery and *We* shall have the same rights as if such property belonged wholly to different owners.

Damage to coral reefs and other sensitive marine environments providing these occur as a result of an identifiable event.

Property on board

Loss of or damage to any equipment, fuel or other property on board the insured vessel other than *cargo* and *catch*, excluding loss of, or damage to, any property which forms part of the vessel or which is owned, leased or hired in.

SCOPIC

We also provide cover for *Your SCOPIC* liabilities when salvors choose to use *SCOPIC* with the Lloyd's Open Form (LOF).

Special Cover

We may agree to provide cover against special or additional risks. The terms of any special cover will be as agreed by *Us* in writing.

Stowaways refugees and life salvage

Costs and expenses arising from stowaways, refugees and the saving of life at sea.

Towage

You are covered for damage to a towed fishing vessel with a limit of US\$ 250,000 per *incident* unless *We* have agreed to a higher limit and this is shown on *Your* Certificate of Insurance.

Uninsured or underinsured vessels

If an *uninsured* or *underinsured third party vessel* is responsible for *You*, *Your crew* or *Your passengers* or *others* sustaining personal injury, illness, or death whilst on board *Your* vessel, *We* agree to meet in the first instance any medical, funeral or other expenses which are not recoverable as a result of the third party vessel being uninsured or underinsured.

The limit of cover under this section is US\$ 5,000,000 per *incident*.

War risks

We pay *war risks P&I claims*. The limit of *Your* cover under this war risk section is US\$ 500,000,000 each vessel, any one *incident*.

If *You* have no other war risk insurance policy in place, *Your*

deductible for *war risks P&I claims* under this section is the *deductible* shown on *Your* Certificate of Insurance.

If *You* have purchased a war risk P&I policy from another insurer, *Your deductible* shall be the amount *You* can recover under *Your war risks P&I* policy with that other insurer.

Wreck Removal

Wreck removal, marking or lighting costs which are compulsory by law, following the loss of *Your* vessel, including *claims* for the extra cost and expenses of removing *catch*, *cargo* or property from the wreck.

We also cover voluntary wreck removal from somewhere *You* own or lease when no wreck removal order has been given.

The residual value of any property recovered shall be deducted or offset against *Your claim*.

What is not covered (exclusions)

We do not pay *claims* for or arising from the following. These exclusions override anything to the contrary provided in *your* insurance cover.

1. **Cable damage.** Cover will exclude any and all *claims* arising from damage to subsea cables, where this damage is due to or caused by the Member acting imprudently, unsafely, or in an unduly hazardous or improper manner.
2. **Catch** carried on board *Your* vessel.
3. **Charterers.** This policy does not insure *You* when *You* act as a time or voyage charterer of vessels which *You* do not own and it does not insure the liabilities of *Your* charterers, unless they are a bareboat charterer who *We* have agreed to be named on *Your* policy.
4. **Contractual liabilities and indemnities** other than those recoverable under the 'Contractual liabilities and indemnities' and 'Crew, passengers and others' section of *Your* Policy.
5. **Crew claim exclusions** – *We* do not pay *crew* annuities. If injured parties are entitled to receive compensation for personal injury or sickness benefits under a mandatory insurance scheme, *We* are not obliged to pay such *claims*. This exclusion applies even if *You* or the injured parties have failed to take the steps necessary to receive such entitlements. Except insofar as covered under 'Crew, passengers and others' above, *We* do not pay *claims* for or arising out of contractual obligations to pay *crew* wages unless managers have seen and approved the contract in writing. *We* do not pay share of *catch* and/or profits of vessel payments following sickness or injury or disputes with *crew* over contractual liabilities or obligations. *We* do not pay *Employment Practices liability claims*.
6. **Cyber Risks.** There is no right of recovery from the Club for *claims* arising in respect of loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from the use or operation, as a means for inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus, computer process or any other electronic system.

This exclusion shall not operate to exclude losses otherwise recoverable, arising under: 'What is not covered', 33.3 of your policy, or, your Bio-Chemical Extension Clause.

7. **Deductibles, excesses, franchises or other amount(s)** which *You* are required to bear under other policies.
8. **Delay.** Costs and expenses which arise because *Your* vessel has been delayed, other than amounts recoverable under the diversion costs section of *Your* policy.
9. **Disputes** over contractual liabilities or obligations; or disputes or proceedings over obstruction or interference with *Your* vessel's operations.
10. **Disputes between named parties.** We do not support Members or joint Members in dispute with each other, or *Co-Assureds* in dispute with each other or with Members or joint Members under the same policy.
11. **Environmental damage** arising from *Your* continuing use of or presence at a coral reef or other sensitive marine environment.
12. **Fines or penalties** of all kinds, including those arising from overloading *Your* vessel, *illegal fishing*, carrying contraband or blockade running except as covered under 'Fines' above.
13. **Hazardous waste.** Any liabilities, losses, damages, costs arising as a consequence of the discharge or escape of any hazardous waste, previously carried on the insured vessel, from any land based dump, storage or disposal facility.
14. **Illegal payments** of any kind such as extortion, blackmail or bribery or any associated costs or expenses.
15. **Communicable Disease on board *your* Vessel**

Any and all liabilities, costs and expenses related to a Communicable Disease outbreak not on board *your* vessel except where cover is otherwise specifically set out above under any written section of 'Your Cover', or unless it is agreed by *us* in writing.

Additional expenses incurred in trading to a port at which the Member knew or ought to have known that such expenses were likely to be incurred.

This clause shall be paramount and shall override anything contained in this insurance inconsistent therewith.

In the event that the World Health Organization ('WHO') has determined an outbreak of a Communicable Disease to be a Public Health Emergency of International Concern (a 'Declared Communicable Disease'), *You* are not insured for any loss, damage, liability, cost or expense directly arising from any transmission or alleged transmission of the Declared Communicable Disease.

1. This exclusion will not apply to any liability where the liability directly arises from an identified instance of a transmission of a Declared Communicable Disease and where *You* prove that identified instance of a transmission took place before the date of determination by the WHO of the Declared Communicable Disease.
2. However even if the requirements of paragraph 1 are met, no coverage will be provided for any:
 - A. Liability, cost or expense to identify, clean up, detoxify, remove, monitor, or test for the Declared Communicable Disease whether the measures are

preventative or remedial;

- B. Liability for or loss, cost or expense arising out of any loss of revenue, loss of hire, business interruption, loss of market, delay or any indirect financial loss, howsoever described, as a result of the Declared Communicable Disease;
- C. Loss, damage, liability, cost or expense caused by or arising out of fear of or the threat of the Declared Communicable Disease.

3. This exclusion shall not extend *Your* cover to any liability which would not have been covered under this policy had this exclusion not been included.

Cover in any event is excluded for claims in excess of US\$ 10 million arising from any one incident.

All other terms, conditions and limitations of the insurance remain the same.

16. **Kidnap and ransom** demands or payments.
17. **Motor vehicles.** *Claims* arising from the use of mechanically powered vehicles whilst ashore, which would be recoverable under a full comprehensive motor vehicle policy.
18. **Nuclear risks** or *claims* arising from radioactivity.
19. **Other insurances.** We do not cover liabilities which are recoverable from any other insurance (or where they could have been recoverable had such other insurance not contained a provision similar to this). We do not cover liabilities for hull and machinery risks for which *You* would have insurance cover under a separate policy or policies, were *You* to be *fully insured* for such risks on terms not less wide than those of the Lloyd's Marine Policy with the Institute Time Clauses (Hulls) 1/10/83.
20. **Own property.** Loss of or damage to owned or leased property of *Yours* including *Your* catch, *Your* fishing gear and *Your* vessel.
21. **Property or personal effects of Crew, Passengers or Others** consisting of cash, precious metals or stones or other objects of a rare or precious nature.
22. **Punitive damages** or exemplary damages however described, imposed by a court in the U.S.
23. **Salvage services** to *Your* vessel or demands for general average payments and any related disputes other than amounts recoverable under the 'SCOPIC' section of *Your* policy.
24. **Sanctions.** We do not pay *claims* which would expose the *Shipowners' Club* or its *Managers* to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, the United Kingdom or the United States of America, nor do We provide cover to or for the benefit of, or pay *claims* to or for the benefit of, any person or entity *designated* nor in relation to any vessel *designated* by any State where the Association or its *Managers* have their registered offices or permanent places of business or by any State being a *Major Power* or by the United Nations or the European Union. Furthermore, We are not liable to pay any *claim* to *You*, in full or in part, if We are unable to make a recovery from *Our* reinsurers in respect of that *claim*, due to sanctions restrictions placed on one or all of *Our* Reinsurers.

25. **Special Cover.** If *We* agree to provide special cover in writing then *You* are not entitled to recover any *claim* from *Us* for any part of *Your* liability that is not recovered by *Us* from *Our* Reinsurers.
26. **Scuba diving.** When scuba equipment is used commercially as an intrinsic part of the fishing operations, unless the diver has been certified by a recognised diver training organisation. Any other form of *commercial diving* is not insured.
27. **Submarines,** mini-sub or remotely operated vehicles (ROVs).
28. **Surveys & Management Audits.** Subject always to the Insurance Act 2015, unless the Board of the Shipowners' Club in its discretion otherwise decides, *We* do not pay *claims* arising after *You* have failed to comply with any of your obligations under general condition 'Surveys and Management Audits'. In no case do *We* pay *claims* which arise out of defects identified during a survey and/or management audit.
29. **Time Bar.** *We* do not pay a *claim* if *You* have not told *Us* of any event or matter which could give rise to that *claim* within one year of *Your* first knowing about it (or in *Our* view when *You* should have known of it); or if *You* do not submit to *Us* for reimbursement a *claim* within a year of having yourself settled it.
- We* do not in any event pay a *claim* if *You* have not told *Us* in writing of that *claim*, within three years of the event or matter that gave rise to it.
30. **Towing.** Unless cover is available under the 'Towage' section of 'What is Covered', *claims* arising from towing are excluded unless such towage is necessary for the purpose of saving life or property at sea.
31. **United States jurisdiction.** There is no cover for any contract *You* have entered into if it is subject to U.S. jurisdiction or *Your* Principal or Sub-contractor is a U.S. entity. Punitive damages or exemplary damages however described, imposed by a court in the United States of America are also excluded.
32. **Unlawful, unsafe, imprudent or unduly hazardous activities,** including carrying contraband, blockade running, *illegal fishing*, or being employed in an unlawful or prohibited activity or trade, *Your* infringement of any law, rule or regulation, or permitting any activity on board or in connection with *Your* vessel which is unsafe, imprudent or unduly hazardous.
33. **War Risks** There is no cover for any *claims* arising from *war risks* when the liabilities costs or expenses arise directly or indirectly from any of the following:
- 33.1 any chemical, biological, bio-chemical or electromagnetic weapon; or
- 33.2 the use or operation, as a means of inflicting harm, of any computer virus
- 33.3 Exclusion 33.2 shall not operate to exclude losses (which would otherwise be covered under the terms of this policy) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile; or

33.4 the outbreak of war (whether declared or not) between any of the following countries: the United Kingdom, the United States of America, France, the Russian Federation, the People's Republic of China; or

33.5 *incidents* caused by, or contributing to, or arising out of, any event, accident or occurrence within specific ports, places, zones or areas, as *We* have notified to *You* either at the commencement of, or during the period of, *Your* policy. *We* may change, vary, extend, add to or otherwise alter these specified ports, places, zones and areas upon twenty four hours notice given by *Us* to *You*; or

33.6 requisition for title or use.

34. **Wilful misconduct,** being an intentional act or deliberate omission done by *You* with knowledge that it will probably result in loss, or done with a reckless disregard for the probable consequences.

35. **Wrecks** which occur because the vessel has been abandoned or has been allowed to become dilapidated through *Your* lack of activity or neglect.

General conditions

Assignment and Subrogation

You cannot assign *Your* policy to any other person other than with *Our* prior written approval.

If *We* make a payment to *You* or any joint Member or Co-Assured under this policy, or under any security *We* have given, and *You*, the joint Member and Co-Assured have any rights to *claim* against a third party that are connected to the payment *We* make, then *We* will be subrogated to all of those rights to the extent of *Our* payment, including any interest and costs. *You* and the joint Member and Co-Assured agree to take any steps that *We* reasonably require to this end.

Claims

If a *claim* is made against *You*, *You* must follow the *claims* handling procedure set out at the end of this document. If *You* fail to do so *Your* ability to *claim* may be affected.

Classification, Certifying Authority and Flag State

Your vessel must comply with all statutory requirements of its flag State and SOLAS, as applicable, and maintain and comply with all requirements of the classification society or certifying authority that it had at the time *We* agreed to insure it. Subject to the provisions of the Insurance Act 2015, *We* will not pay any *claims* arising during such time as *You* have failed to comply with this general condition, even if *Your* failure to comply has not increased the risk of any loss.

Complaints

We take all complaints seriously. If *You* are dissatisfied with *Our* handling of *Your claim* or any other aspect of *Your* insurance or the service *We* provide, please contact *Us*. *Our* complaints handling policy is detailed on *Our* website at: www.shipownersclub.com/other/complaints-handling-policy

Deductibles

Your entitlement to make a *claim* is subject to the *deductible* that appears on *Your* certificate of insurance. If a single *incident* gives rise to a number of *claims* with different deductibles then the total of all *claims* will be subject to the highest *deductible* that applies to any one of the *claims*.

Discretionary Claims

The Board of the Shipowners' Club has discretion to pay a *claim* in whole or in part for any liabilities or expenses which are not

covered under this policy or any contract that *We* have with *You*, so long as they are related to owning and operating *Your* vessel.

Dispute Resolution

If, any dispute arises out of or in connection with *Your* Policy or any contract with *Us*, then such dispute will in the first instance be referred to the Board of the Shipowners' Club for adjudication. If the Board of the Shipowners' Club decides to waive its right to adjudicate or if it finds against *You* then the dispute will be referred to arbitration in London, one arbitrator to be appointed by *Us*, one by *You*, and a third to be appointed by the arbitrators. The reference to arbitration and the arbitration proceedings themselves will be subject to the provisions of the Arbitration Act 1996 and any statutory modification or re-enactment thereof.

Fair Presentation

You have a duty to make a fair presentation of the risk, by disclosing all material matters which *You* know or ought to know or, failing that, by giving *Us* sufficient information to put *Us*, as a prudent insurer, on notice that *We* need to make further enquiries in order to reveal material circumstances. If *You* fail to do so *Your* ability to recover a *claim* from *Us* may be prejudiced.

Governing Law

You and *We* agree that *Your* policy and *Your* Certificate of Insurance are governed by and will be construed in accordance with English law. In particular, they are subject to and incorporate the provisions of the Marine Insurance Act 1906 and the Insurance Act 2015 and all amendments thereto except to the extent that such Act or modification may have been excluded by this policy or any contract of insurance between *Us* and any insured party.

It is not intended that rights should be acquired by any third party by reason of the Contracts (Rights of Third Parties) Act 1999 or any similar legislation in any jurisdiction.

Joint Members and Co-Assureds

If *We* issue a Certificate of Insurance in the name of more than one person or company, those additional parties will be known as joint Members. Joint Members are bound by all the terms and conditions of *Your* policy and Certificate of Insurance and each of them are individually responsible for paying all premium and any other sums due to *Us* under *Your* policy and are bound by all of the terms and conditions of *Your* policy and *Your* Certificate of Insurance. If *We* make payment to, or on behalf of, any Joint Members for any amount due under *Your* policy, *We* will make no further payment to any person, including *You*, in relation to the amount that was due.

If *We* issue a Certificate of Insurance naming a Co-Assured then *We* agree to extend cover to that named Co-Assured, but only if: the named Co-Assured is held responsible for a *claim* which is properly *Your* responsibility and for which *You* would have been able to recover from *Us* under this policy, had that *claim* been made and enforced against *You*. If *You* have a contract with a named Co-Assured, *Your* responsibility means *Your* responsibility as agreed in that contract.

If *We* make a payment to, or on behalf of, a named Co-Assured for a *claim* then, in relation to that *claim*, *We* will not make payment to any other person, including *You*, and *We* agree to waive *Our* rights of subrogation, if any, against the named Co-Assured.

If there is a failure by any Joint Member to comply with the 'Fair Presentation' section of *Your* policy or if the conduct of any joint

Member or Co-Assured would entitle *Us* to decline a *claim*, then *We* will treat such failure and/or conduct as extending to all insureds. If more than one person is named on the Certificate of Insurance *We* will treat an act, omission, statement or a *claim* by any one of those persons as an act, omission, statement or a *claim* by all of them.

We direct all correspondence to *You* and *You* receive it on behalf of all insureds.

Lay-up

If *Your* vessel has been laid-up for six months or more outside its usual seasonal trading pattern, *You* must give *Us* notice that the vessel will be reactivated no less than seven days before the vessel leave its place of lay-up. When *We* receive notice from *You* *We* may appoint a surveyor, at *Your* cost, to inspect the vessel on *Our* behalf and *You* must provide *Your* full co operation to this end. *You* must comply with any recommendations that *We* make following such an inspection. *We* do not pay any *claims* arising after *You* have failed to comply with any requirement of this general condition, until *You* have complied with all requirements of it, subject always to the provisions of the Insurance Act 2015. In no case do *We* pay *claims* which arise out of defects identified during such an inspection.

We do not return premium for periods of lay-up. Premium is on the basis of cancelling returns only.

Premium

Your insurance premium will be fixed annually and no further premium will be payable, unless *You* ask *Us* to extend *Your* insurance cover or the material facts upon which *We* base the cover change. *You* must pay *Your* premium in such instalments and on such dates as *We* have specified. Premium is not considered paid until received by *Us*.

Reinsurance

We have the right to agree contracts of reinsurance relating to *Your* insured vessel(s) with insurers of *Our* choice, on terms as agreed between *Us* and those other insurers.

Security

Where *We* consider it appropriate and necessary *We* may provide letters of undertaking, bonds or bank guarantees on *Your* behalf, as security for covered *claims* providing *You* have paid *Your* premium and *Your claims deductible* which is due to *Us*.

Severability clause

In the event that a court or tribunal finds any part of this policy to be unenforceable, invalid or to be in conflict with any mandatorily applicable statute or law, or public policy, such part shall be severed and such a finding shall not affect the enforceability, validity or legality of the remainder of the policy, which shall remain in full force and effect.

Shared Ownership

If the master or any *crew* member is also the owner or part-owner of an insured vessel, the liability shall, in relation to *claims* arising from the act or omissions of such person in his capacity as master or *crew* member, be assessed as if such master or *crew* member was not the owner or part-owner.

Surveys & Management Audits

We may at any time appoint a surveyor, at *Our* cost, to inspect *Your* vessel. *We* may also wish to perform a management audit of *Your* shore side operation. *You* must provide full cooperation as may be required for such inspection or audit, and comply with all recommendations as the Managers may make as a result of it.

Surveys & Management Audits: Follow-ups

We may arrange a follow up survey, at *Your* cost, to check that *You* have complied with all recommendations identified in an inspection or audit.

Termination and Cancellation

Termination by Notice

Either *We* or *You* may terminate this policy by notice at noon GMT on the renewal date of any year by giving not less than 30 days written notice.

We may terminate the entirety of cover under *Your* policy by notice for each and every vessel insured, in the following circumstances:

- should any of *Your* insured vessels be used, in *Our* opinion, for a prohibited or unlawful activity or trade; or
- should any of *Your* insured vessels or their activities, in *Our* opinion, expose the Shipowners' Club or its Managers to *sanctions risks*; or
- upon 30 days written notice given by *Us* to *You*;

We may terminate cover for *war risks* by notice for each and every vessel insured upon written notice by *Us* to *You* to discontinue *war risks* cover, with cancellation becoming effective on no less than the expiry of 7 days from midnight on the day on which *We* issue notice of cancellation.

The effect of *Your* policy being terminated by notice also extends to Joint Members and Co-Assureds. Subject to the 'Automatic Termination' and 'Cancellation' provisions of this policy, the effect of *Your* policy terminating by notice is that *You* will remain liable for premium under *Your* policy and for any other sums due to *Us* except that *You* will be entitled to a daily pro rata return of premium for sums paid, if any, from the date of termination until the expiration of *Your* policy. Likewise, subject to the above Exclusion 22 'Sanctions', *We* pay *claims* for events that arose prior to the date of termination but *We* will not pay *claims* arising from events after the date of termination.

Automatic Termination

Your policy for any of *Your* vessel(s) will automatically terminate for that vessel upon the date shown on *Your* Certificate of Insurance or upon the happening of any of the following: the sale or transfer of *Your* vessel; a change of beneficial owner(s); a change of management of *Your* vessel; upon the mortgage of *Your* vessel; *Your* vessel becoming an actual or constructive total loss; *Your* vessel no longer being classed with the classification society or certifying authority that it was at the time *We* agreed to insure it; should *Your* insured vessel(s) or their activities or any named insured expose the Shipowners' Club or its Managers to *Sanctions risks*; should *You* or *Your* insured vessel be *designated* by any State where the Association or its Managers have their registered offices or permanent places of business or by any State being a *Major Power* or by the United Nations or the European Union.

Your insurance will automatically terminate, if *your* vessel becomes listed during its policy period on the Combined Illegal, Unreported and Unregulated ("IUU") Vessel List. Cover shall terminate for *your* vessel from the date of such listing and no subsequent claims shall be payable.

Your insurance for all vessel(s) will automatically terminate upon the happening of any of the following: an *Insolvency event*; if *You* are an individual, upon *Your* death or upon *Your*

becoming incapable by reason of mental disorder of managing or administering *Your* property and affairs.

The insurance which *We* provide to *You* for *war risks* will automatically terminate upon the happening of either of the following:

- should war break out between any of the following countries; the United Kingdom, the United States of America, France, the Russian Federation and the People's Republic of China; or
- should *Your* vessel be requisitioned either for title or use.

The effect of *Your* policy being automatically terminated is the same as for termination by notice except that *We* do not pay *claims* for events arising after the date of automatic termination, other than *claims* arising from *Your* vessel becoming an actual or constructive total loss thereby triggering automatic termination.

Cancellation

If *You* fail to pay premium in such instalments and on such dates as are agreed by *Us*, *We* may serve notice in writing requiring *You* to make payment by a specified date. If *You* fail to make payment in full on or before the specified date *We* shall immediately cancel *Your* insurance. If *We* cancel *Your* insurance *You* must pay all premium due up to the date of cancellation. *We* will not pay *claims* for events arising on or after the date of cancellation.

We will not pay *claims* for events arising before the date of cancellation if premium was owing at the time the event arose and remained unpaid at the date of cancellation.

Immediate advice and local assistance is also available from *Our* Correspondents who are listed at:

www.shipownersclub.com/correspondents

It is important that *You* contact *Us* or *Our* local correspondent promptly, so that *We* can assist *You*. The earlier *We* are involved the better. *You* are required to act prudently and as if *You* are uninsured until such time as *We* have taken over the handling and management of the *incident*.

When reporting a *claim* it will help *Us* if *You* include *Your* vessel's name, the *incident* date, the nature of the *incident*, the location of *Your* vessel and location of the *incident* (if different). If an injury or collision is involved *You* may be required to notify the appropriate

authorities.

We have the right to handle, settle or compromise *claims* or proceedings as We see fit. We may appoint lawyers, surveyors or other persons when We consider these are necessary. They may report to Us and provide documents or information to Us, without prior referral of these matters to You.

When it is possible for a vessel owner to limit their liability at law, that sum becomes the maximum amount recoverable under this policy and will apply regardless of whether We insure You as the owner of the vessel or in some other capacity.

You must not admit liability for any *claim* and you must not settle a *claim* without Our prior approval. You must also preserve any rights You may have to limit Your liability and any rights You may have against any third party. You must also promptly notify Us of every event or matter which is likely to give rise to a *claim*, provide Us with any relevant information or documents and permit Us access to any persons employed by You who We consider likely to have knowledge of the event or matter. If You admit liability, settle, fail to preserve Your limitation rights or fail to promptly notify or provide information or access to Your employees, or take any action that encourages or results in a *claim* being made against You, Your *claim* may be rejected or reduced. If We pay the claimant, You or Your nominated broker, manager, agent or some other person whom You nominate, Our liability shall be fully discharged.
