Provided that the liabilities, costs and expenses are covered under the usual form of Lloyd's policy with the Institute Time Clauses (Hulls) attached or under other forms of Hull Policies on the entered ship approved by the Managers.
- b** Liabilities, costs and expenses irrecoverable under the Hull Policies of the entered ship, solely because they exceed the ship's insured value under those policies.

- (i) There shall be no recovery under this paragraph **b** if in the opinion of the Managers the insured value is less than an amount reasonably reflecting the free uncommitted market value ("the proper value") of the ship; or
- (ii) The Managers may reduce such recovery to the amount, if any, that would have been irrecoverable under the ship's Hull Policies had the ship been insured for the proper value.
- (iii) At the request of a Member the Managers may, but shall not be obliged to, agree for the purposes of paragraph **b** of Rule **25 v**, the proper value for which an entered ship should be insured for collision liabilities for the current year.

Note: *When considering the proper value for which an entered ship should be insured or deemed to be insured for the purposes of Rule **25 v** the Member must satisfy the Managers that the hull and machinery and/or excess liability policies of the Member concerned have been subject to periodic review as market conditions may require, so that the total amount of liability coverage contained in these policies is maintained at a figure which is as near as possible to the free uncommitted market value of the ship at the time of the incident giving rise to the claim.*

Members should consult with their brokers and/or ship valuers in order to assess, in the light of the above, the amount for which insurances should be effected to cover collision and general average or salvage liabilities. Provided that the necessary insurances are effected, on the basis of the advice received, the Managers will give favourable consideration to a claim under these Rules consequent upon assessment of the value of the ship by a Court or Tribunal at an amount in excess of the insurances so effected.

 - (b) that the Hull Policies of the entered ship are in a form previously approved in writing by the Managers and upon such terms as they may require.

- d** Loss or damage to cargo or other property being carried on an entered ship consequent upon collision

- e** Unless otherwise provided for under a form of hull policy on the entered ship approved by the Managers in writing, if the entered ship and the other ship are both to blame for a collision, then (except where the liability of the owners of one or both of them becomes limited by law, in which event claims under this Rule **25 v** shall be settled upon the principle of single liability) claims for reimbursement under this Rule **25 v** shall be settled upon the principle of cross-liabilities, as if the owner of the entered ship had been compelled to pay the owner of the other ship such proportion of the latter's damages as may have been properly allowed in ascertaining the balance or sum payable by or to the former in consequence of the collision.

- f** No recovery shall be made under this Rule **25 v**:

- (i) in respect of any excess, franchise and/or deductible borne by the Member under the Hull Policies of the entered ship;

 - (i)** Rule **22 iii**; and
 - (ii)** In respect of pollution, Rule **18 ii** and the note thereto.

- the terms of the indemnity, undertaking or contract shall have been approved in writing by the Managers, or the Directors have in their discretion determined that a particular claim falls within the scope of Club cover.
- b** Without prejudice to any other provision, exclusion, limitation or condition set out in these Rules, cover under this Rule **25 x** is subject to the following provisions:
- (i) in respect of pollution, Rule **18 ii** and the note thereto; and
 - (ii) **22 iii**

 - (ii) cargo, equipment or other property carried on the entered ship, to the extent that the Member is unable to recover those costs from the owner of such property or from any other party;
- Provided always that:*
- (a) Such raising, removal, destruction, lighting or marking is compulsory by law, or the costs thereof are legally recoverable from the Member; and
 - (b) The casualty or event giving rise to a claim under paragraph **a** of this Rule **25 xi** occurred during the period of the ship's entry in the Club, and in the case of actual, constructive or compromised total loss of the entered ship the Member shall continue to be covered by the Club in respect of such liabilities notwithstanding the provisions of Rule **36 v**.
- b** Liabilities arising out of the presence or involuntary shifting of, or obstruction caused by, the wreck of an entered ship, including any part thereof or cargo, equipment or other property carried thereon.
- Provided always that*
- in respect of paragraph **b** of this Rule **25 xi**:
- (i) The event causing the loss or wreck of the entered ship has occurred during the period of entry of that ship in the Club and liability is attributable to such event;

- (i) The wreck itself and all stores and materials saved shall be deducted from any reimbursement made by the Club under this Rule **25 xi**; and/or
- (ii) All cargo saved, shall be deducted from any reimbursement made by the Club under either Rule **25 xi a (ii)** or Rule **25 xiii**.

Provided that if any such proceeds are realised by the Member after reimbursement by the Club and without deduction in accordance with paragraphs (i) and (ii) above, the Member shall pay any such proceeds to the Club up to the amount of any prior reimbursement.

- d Unless the Managers otherwise agree in writing, there shall be no recovery under this Rule **25 xi** or any other Rule in respect of any liability, costs or expenses incurred by the Member after the transfer of its interest in the cargo or wreck, otherwise than by abandonment, prior to the actual or attempted raising, removal, destruction, lighting or marking of the wreck or prior to incurring any other liabilities covered by this Rule **25 xi**;
- e There shall be no recovery under this Rule **xi** in respect of any liabilities arising under the terms of any contract or undertaking, unless approved in writing by the Managers on such terms as they may require.
- f Without prejudice to any other provision, exclusion, limitation or condition set out in these Rules, cover under this Rule **25 xi** is subject to the following provisions:
 - (i) In respect of pollution, Rule **18 ii** and the note thereto; and
 - (ii) Rule **22 iii**.
 - (iii) Provisos (x) and (xii) to Rule **25 xiii**.

- (a) Disinfection
- (b) Additional fuel consumed
- (c) Stores and provisions
- (d) Port and agency charges
- (e) Cargo handling
- (f) Insurance
- (g) Shifting
- (h) Deviation expenses

but only in respect of each of (a) – (h) to the extent that such expenses would not have been incurred but for the outbreak or quarantine or public health order and could not in the opinion of the Managers reasonably have been avoided; and

provided that

unless otherwise agreed by the Managers, at the time when the ship was ordered to the port either:

- (a) The ship was already contracted to call there; or*
- (b) It was not in the opinion of the Managers reasonably to be anticipated that the ship, its cargo or its crew would be subject to a quarantine or public health order.*

xiii Cargo Liabilities

Liabilities and costs insofar as they relate to cargo intended to be or being or having been carried in an entered ship as follows:

a Loss, Shortage, Damage and other Responsibility

Liability for loss, shortage, damage or other responsibility arising out of any breach by the Member, or by any person for whose acts, neglect or default he may be legally liable, of his obligation as carrier by sea properly to load, handle, stow, carry, keep, care for, discharge or deliver the cargo or property or out of unseaworthiness or unfitness of the entered ship.

b Handling of Damaged or Worthless Cargo

The extra costs (over and above those required by and/or incurred in the performance of his obligations under the contract of carriage) incurred by the Member in restowing, discharging or disposing of damaged or worthless cargo, provided that the Member has no recourse to recover such costs from any other party and, in respect of such cargo, the Member shall only be entitled to recover such extra costs if and to the extent that they exceed any proceeds of sale of the cargo payable to the Member.

c Failure of cargo interests to collect cargo

The extra costs and liabilities (including storage and disposal costs) incurred by the Member arising directly out of the failure by cargo interests to collect or remove cargo from the port or place of discharge or delivery; provided that:

- (i) The Member is legally liable for such costs or has incurred them under the direction or with the approval of the Managers; and
- (ii) The Member has no recourse to recover such costs from any other party; and
- (iii) The Member shall only be entitled to recover such extra costs if and to the extent that they exceed the proceeds of the sale of the cargo; and
- (iv) In any event there shall be no recovery in respect of storage charges
 - (a) for the first 30 days following discharge and
 - (b) that have been incurred prior to notification of the failure to collect or remove cargo being received by the Managers.

d Through Transport

Liability for loss and shortage of, damage to or other responsibility in respect of cargo for which the Member may be liable under a through or transshipment bill of lading or other form of contract of carriage providing for carriage partly to be performed by an entered ship, provided that:

- (i) the terms of any such contract of carriage have been approved in writing by the Managers on such terms as they may require.
- (ii) where part of the carriage is performed by the Member in his capacity as an Owner (as defined in Rule 2) of a ship which he has not entered in the Club, the Member may recover from the Club for liability in respect of loss, shortage, damage or other responsibility in respect of cargo only to the extent that it occurred during, or was consequent upon, that part of the carriage performed by the entered vessel.

Provided always that:-

in relation to paragraphs **a – d** of this Rule **25 xiii**

Hague Rules and Hague-Visby Rules

- (i) Unless and to the extent that the Directors in their discretion otherwise determine or special terms have been agreed in writing by the Managers, there shall be no recovery from the Club in respect of any liabilities, costs and expenses which would not have been incurred or become payable by the Member if the cargo had been carried under a bill of lading or other contract of carriage incorporating terms no less favourable to the carrier than the Hague Rules or Hague-Visby Rules.

Note: *A Member should ensure wherever possible that any bill of lading or other contract of carriage to which any other is the contracting party contains a provision in the same or substantially the same form as the "Himalaya" clause set out under the 'Clauses recommended by the Association' at the end of the Rules, extending any exemptions and immunities of the carrier to that Member, and to each of his servants, agents and subcontractors.*

Through and transshipment bills of lading

- (ii) Where a through or transshipment bill of lading or other contract of carriage has been issued by the Member in accordance with paragraph **d** of this Rule **25 xiii** there shall be no recovery from the Club in respect of liabilities, costs or expenses incurred by the Member under or in connection with such a bill of lading or other contract of carriage, unless the Member preserves its rights of recourse against any sub-contractor by sub-contracting only on terms that:
 - (a) the sub-contractor shall be liable to the Member to the same extent as is the Member to any other person under the Member's bill of lading or other contract of carriage, or
 - (b) have been approved in writing by the Managers.

Deviation

- (iii) There shall be no recovery from the Club in respect of any liabilities, costs and expenses arising out of or incurred in consequence of a deviation of an entered ship and/or a deviation in relation to cargo before, during or after being carried in an entered ship, including without limitation any geographical or other departure from the contractually agreed voyage or adventure, unless
 - (a) in the case of a deviation authorised by the Member, it shall prior thereto have given notice of the same to the Managers, or in the case of a deviation without its authority, it shall have given notice to the Managers immediately upon receiving information thereof, and the Managers have in writing agreed cover in respect of such losses, costs and expenses on such terms as they may require; or
 - (b) to the extent that the Directors in their discretion otherwise determine.

Note: *If the contract of carriage contains an appropriate Voyage Liberty Clause, an example of which is set out under 'Clauses Recommended by the Association' at the end of the Rules, some unplanned deviations may be permissible. The Managers may in such circumstances determine that no additional premium is to be paid by the Member. (The shipment of cargo on deck without a specific statement to that effect in the Bill of Lading may amount to a deviation in addition to an infringement of the requirements of proviso (x) to this Rule 25 xiii).*

Valuable Cargo

- (iv) There shall be no recovery from the Club in respect of any liabilities, costs or expenses arising out of the carriage of specie, bullion, precious or rare metals or stones, plate, jewellery or other objects of a rare or precious nature, banknotes or other forms of currency, bonds or other negotiable instruments, unless the contract of carriage relating thereto and the spaces, apparatus and means in which the same are to be carried and the instructions given with regard to the safe custody thereof have been approved in writing by the Managers on such terms as they may require.

Ad valorem bills of lading

- (v) There shall be no recovery from the Club in respect of any liabilities, costs or other expenses arising out of carriage under an ad valorem bill of lading or other document of title, waybill or other contract of carriage in which a value of more than United States dollars two thousand five hundred (USD 2,500) (or the equivalent in any other currency) is declared and/or inserted by reference to a unit, piece, package or otherwise, where the effect of such a declaration/insertion is to deprive the carrier of any right or rights of limitation to which he would otherwise have been entitled and cause him to incur a greater liability than he would have done but for such declaration/insertion, to the extent that such liability thereby exceeds United States dollars two thousand five hundred (USD 2,500) (or the equivalent in any other currency) in respect of any such unit piece or package, unless the contract of carriage has been approved in writing by the Managers on such terms as they may require.

Refrigerated Cargo

- (vi) The Managers may at any time require to be satisfied as to the spaces, plant and apparatus, and means used for the carriage of refrigerated cargo in an entered ship, the instructions given to those on board and the terms of the contract of carriage under which the same is to be carried, and the Member shall upon such request supply the relevant information to the Managers. In the event the Managers withhold their approval and so notify the Member in writing, there shall be no recovery from the Club in respect of any loss of or damage to such refrigerated cargo carried upon any voyage which began after the service on the Member of such notice.

Member's Own Cargo

- (vii) If the cargo in respect of which a claim is made on the Club under paragraphs **a - d** of this Rule **25 xiii** is owned by the Member, the Member shall be entitled to recover from the Club and the Club Rules shall apply in all respects as if such cargo belonged to a third party, and that third party had concluded a contract of carriage of the cargo with the Member on the terms of the Club's recommended standard terms of carriage as referred to in proviso (i) above.

Discretionary Claims

- (viii) Unless and to the extent that the Directors shall in their absolute discretion otherwise determine, (and in any event only if they are satisfied that the Member took such steps as appear to those Directors to be reasonable to avoid the event or circumstances giving rise to such liabilities, costs and expenses), there shall be no recovery from the Club under paragraphs **a - d** of this Rule **25 xiii** in respect of the Member's liabilities, costs or expenses arising out of:

- (a) the discharge of the cargo or any part thereof at any port or place other than a port or place permitted by the relevant contract of carriage;
- (b) the delivery of cargo carried on an entered ship under a negotiable bill of lading or similar document of title without the production of that bill of lading or document by the person to whom delivery is made, except where cargo has been carried on an entered ship under the terms of a non-negotiable bill of lading, waybill or other non-negotiable document, and despite having been properly delivered as required by that document, liability nevertheless arises under the terms of a negotiable bill of lading or other similar document of title (issued by or on behalf of a party other than the Member) providing for carriage in part upon the entered ship and in part upon another ship or by another mode of transport;
- (c) the delivery of cargo carried under a non-negotiable bill of lading, waybill or similar document without production of such document by the person to whom delivery is made, where such production is required pursuant to the terms of and/or the law applicable to that document, except where the Member is obliged by law to deliver or relinquish custody or control of, the cargo, without production of such document;
- (d) the issue of an ante dated or post dated bill of lading, waybill or other document containing or evidencing the contract of carriage;
- (e) the issue of a bill of lading, waybill or other document containing or evidencing the contract of carriage known by the Member or the Master of the entered ship to contain an incorrect description of the cargo or its condition or quantity;
- (f) the failure to arrive or late arrival of an entered ship at any port of loading, or out of the failure to load or delay in loading any particular cargo or cargoes in an entered ship otherwise than under a bill of lading already issued.

Loss of Freight or Hire, Detention or Demurrage

- (ix) Loss of freight or hire or any proportion thereof, or claims for demurrage on, detention of, or delay to an entered ship shall be recoverable under this Rule **25 xiii** if, but only if, such loss or claim forms part of a claim for liabilities in respect of cargo or is, with the consent of the Managers, included in the settlement of a claim;

Deck Cargo

- (x) Unless and to the extent otherwise agreed in writing by the Managers, there shall be no recovery from the Club in respect of liabilities for loss, shortage, damage or other responsibility arising out of the carriage on deck unless the cargo and the ship are, in the opinion of the Managers, suitable for carriage on deck and the Bill of Lading or other contract of carriage:
 - (a) states that the cargo is carried on deck and either provides that the carrier is free from all liability for loss of or damage to cargo or provides the carrier with rights, immunities and limitations no less favourable than those contained in the Hague Rules or Hague-Visby Rules; or
 - (b) contains an appropriate liberty to carry cargo on deck and provides for the Hague Rules or the Hague-Visby Rules to apply to such cargo.

Note: A suitably worded deck cargo carriage clause may exclude liability for deck cargo where the Hague Rules or Hague-Visby Rules do not apply. Two examples are set out under the 'Clauses Recommended by the Association' at the end of the Rules. A clause giving general permission to carry on deck may not be "an appropriate liberty" for the purposes of paragraph (b) of proviso (x) to this Rule **25 xiii**. The Managers will on request but at the Member's expense endeavour to arrange an insurance to cover the Member's liability in respect of cargo carried otherwise than in accordance with paragraphs (a) and (b) of proviso (x) to this Rule **25 xiii**.

Exclusion of pollution liabilities

- (xi) There shall be no recovery under this Rule **25 xiii** in respect of:
 - (a) any liabilities, losses, damages, costs or expenses caused by or consequent on the escape or discharge or threatened escape or discharge of oil or any other substance from the entered ship, including cargo or any other property intended to be, being, or having been carried on, the entered ship
 - (b) any liability, loss, damage, cost or expense, including, without limitation, liability for the cost of remedial works or clean-up operations, arising as a result of the disposal or discharge at, presence in, or the escape or discharge or threat of escape or discharge from, any land based dump, site, storage or disposal facility of any substance previously carried or intended for carriage on the entered ship whether as cargo, fuel, stores or waste and whether at any time mixed in whole or in part with any other substance whatsoever, unless the Directors shall in their absolute discretion otherwise determine

Heavy Lift Cargo

- (xii) There shall be no recovery from the Club in respect of loss of or damage to or wreck removal of cargo carried on a semi-submersible heavy lift vessel or any other vessel designed exclusively for the carriage of heavy lift cargo, save to the extent that such cargo is being carried under the terms of a contract on Heavycon terms or on such terms as the Managers may otherwise agree in writing.

Livestock

- (xiii) Unless and to the extent otherwise agreed in writing by the Managers, there shall be no recovery from the Club under paragraphs **a-d** of this Rule **25 xiii** in respect of any liabilities, costs and expenses arising out of or incurred in consequence of the intended or actual carriage of live animals.

xiv Cargo's Proportion of General Average

Contribution by cargo or some other party to the maritime adventure to general average, special charges or salvage which is not legally recoverable solely by reason of a breach of the contract of carriage;

provided always that:

- a** Provisos **(i) – (xi)** to Rule **25 xiii** shall apply to any claim under this Rule **25 xiv**;
- b** Any cargo allowance stated in the adjustment, but for which credit has not in fact been taken by cargo, shall be deducted.

Note: *No proportion of any sacrifices of ship or interest, commission or adjustment charges on sacrifices of ship (which are normally recoverable from Hull Underwriters) are payable under this Rule.*

xv Ship's Proportion of General Average

A Member shall be entitled to recover the entered ship's proportion of general average, special charges or salvage not recoverable under the Hull Policies by reason of the value of the entered ship being assessed for contribution to general average or salvage at a sound value in excess of the insured value under the Hull Policies;:

provided always that

- a** There shall be no recovery under this Rule **25 xv** if in the opinion of the Managers the insured value is less than an amount reasonably reflecting the free uncommitted market value ("the proper value") of the ship; or
- b** The Managers may reduce such recovery to the amount, if any, that would have been irrecoverable under the ship's Hull Policies had the ship been insured for the proper value.
- c** At the request of a Member the Managers may, but shall not be obliged to, agree for the purposes of this Rule **25 xv**, the proper value for which an entered ship should be insured under the Hull Policies for the current year.

Note: *When considering the 'proper value' for which an entered ship should be insured or deemed to be insured for the purpose of Rule **25 xv**, the Member must satisfy the Managers that the hull and machinery and/or excess liability policies of the Member concerned have been subject to periodic review as market conditions may require, so that the total amount of liability coverage contained in these policies is maintained at a figure which is as near as possible to the free uncommitted market value of the ship at the time of the incident giving rise to the claim.*

Members should consult with their brokers and/or ship valuers in order to assess, in the light of the above, the amount for which insurances should be effected to cover collision and general average or salvage liabilities. Provided that the necessary insurances are effected, on the basis of the advice received, the Managers will give favourable consideration to a claim under these Rules consequent upon assessment of the value of the ship by a Court or Tribunal at an amount in excess of the insurances so effected.

xvi Fines

Fines for which a Member is liable or for which a Member, with the approval of the Managers, assumes responsibility, imposed in respect of an entered ship by any court, tribunal or authority of competent jurisdiction as follows:

a Cargo

Fines for short or over delivery of cargo, or for failure to comply with regulations concerning the declaration of goods, or the documentation of cargo;

provided always that:-

The Member is insured by the Club for liability in respect of cargo, and subject to the terms of entry and the Rules applicable to such cover.

b Immigration laws

Fines for breach of any law or regulation relating to immigration;

c Pollution

Fines in respect of the accidental escape or discharge of oil or any other substance or the threat thereof;

provided always that:-

the Member is insured for pollution liability by the Club, and subject to the terms of entry, the Rules, and the limit of liability applicable to such cover.

d Smuggling

Fines for smuggling or any infringement of any customs law or customs regulation other than in relation to cargo carried on the entered ship.

e Other Fines

There shall be no recovery in respect of fines other than those specified in paragraphs **a - d** of this Rule **25 xvi** unless the Member has satisfied the Directors that it took such steps as appear to the Directors to be reasonable to avoid the event giving rise to the fine;

provided always that:-

any amount claimed under paragraph **e** of this Rule **25 xvi** in respect of any such fine shall be recoverable to such extent only as the Directors in their absolute discretion may determine without having to give any reason for their decision; and

without prejudice to any other provision, exclusion, limitation or condition set out in these Rules, cover under this or any other Rule is subject to Rule **22 iii**.

xvii Confiscation

Notwithstanding the terms of Rule **22**, the Directors in their discretion may authorise the payment, in whole or in part, of an Owner's claim for loss of an entered ship following confiscation of the ship by any legally empowered court, tribunal or authority by reason of the infringement of any customs law or customs regulation;

provided always that:-

a the amount recoverable from the Club shall under no circumstances exceed the market value of the ship without commitment at the date of the confiscation;

b the Owner shall have satisfied the Directors that he took such steps as appear to the Directors to be reasonable to prevent the infringement of the customs law or customs regulation giving rise to the confiscation;

c any amount claimed under this Rule **25 xvii** shall be recoverable to such extent only as the Directors in their absolute discretion may determine without having to give any reason for their decision;

d no such claim shall be considered by the Directors until such time as the Owner has been finally deprived of his full interest in the entered ship.

xviii Enquiry

Costs and expenses incurred by a Member in defending himself or in protecting his interests before a formal enquiry into the loss of or casualty to an entered ship in cases which, in the opinion of the Managers, may affect any claim upon the Club arising out of such loss or casualty.

xix Expenses Incidental to Shipowning

Liabilities, costs and expenses incidental to the business of owning, operating or managing ships which the Directors may decide to be within the scope of the cover of the Club. Claims under this paragraph shall be recoverable to such extent only as the Directors in their absolute discretion may determine without having to give reasons for their decision.

xx Legal and other Expenses

a Legal costs and Expenses

Costs and expenses including legal costs and charges, which a Member may incur in respect of any liability or expenditure against which he is insured by the Club;

b Sue and Labour

Extraordinary costs and expenses reasonably incurred upon or after any casualty, occurrence or event which is likely to give rise to a claim covered by the Club, solely for the purpose of avoiding or minimising any liability or expenditure arising from such claim;

c Expenses incurred under direction of Club

Costs, expenses and losses which a Member may incur by special direction of the Club in relation to claims which the Directors consider affect or may affect the interests of the Members or the Club ;

provided always that:-

There shall be no recovery under this Rule **25 xx** in respect of any costs or expenses save to the extent that

- (i) the same have been incurred with the consent in writing of the Managers, or
- (ii) the Directors in their absolute discretion shall otherwise determine.

xxi Loss of or Damage to Containers

loss of or damage to containers owned or leased by the Member;

provided always that:

there shall be no recovery under this Rule **25 xxi** unless the Member has obtained the prior written agreement of the Managers to extend his cover in terms of this Rule and the Member has agreed to such special terms, and has agreed to pay such additional premium, as the Managers may require.

xxii Deductibles and Policy Limits

Unless otherwise agreed by the Managers in writing:

- a** any liabilities, costs and expenses recoverable under Rule **25** shall be subject to such deductible(s) as may have been agreed between the Managers and the Member; and
- b** any amount recoverable by the Member hereunder up to the policy limit shall be reduced by the amount of such deductible(s).

Deductibles to be applied to particular claims will be on the basis agreed between the Managers and Members as part of the terms and conditions upon which the entry of the ship is either accepted or continued. In the absence of contrary notification from the Club, the deductibles applicable to any particular entry at the end of any policy year shall be deemed to continue to apply to that entry in the next policy year.

Clarifications to Rule 25

Rule 25 i, ii, iii - various Crew aspects:

Members are reminded that liability in respect of permanent, temporary or substitute crew may vary largely on the basis of the actual conditions of the crew contract or other type or form of contract for service or employment of crew.

Cover in respect of crew is available in accordance with the Rules and terms of entry, however excluding liabilities in respect of crew insofar as these liabilities fall within the scope and limits of other insurances placed in respect of crew, or are otherwise recoverable under social security systems. Such insurance terms and limits, and any subsequent material amendments thereto, to be notified to the Club.

Rule 25 (ii) h – Loss of Baggage and Effects:

Members are reminded that cover for seamen's effects is restricted to the liability as per the Applicable Law and does not therefore automatically include coverage for cars, motorcycles or other exceptional property of the crewmember, irrespective of possible contractual terms. Please also refer to the definition of 'Effects' under Rule 2. Any special terms of entry stating otherwise shall be endorsed on the Certificate of Entry.

Rule 25 iii c - Passengers:

Members are reminded that cover for any liabilities, costs and expenses in respect of passengers, meaning any person carried on board the entered ship pursuant to a contract for carriage, is excluded unless prior approval has been obtained and special terms of entry agreed and endorsed on the Certificate of Entry.

Rule 25 v, vii and viii - Hull & Machinery related aspects:

Members are reminded that in respect of collision with other vessels or contact with any fixed or moveable object, or otherwise arising, it is assumed that liabilities, costs and expenses arising thereof are insured under a Hull & Machinery policy covering 4/4ths R.D.C. and further 4/4ths F.F.O. and further 4/4ths collision without contact risks, with the sums insured to reflect the free uncommitted market value of the entered ship. The Club shall only cover the excess liabilities, costs and expenses which are irrecoverable there under solely by reason of such liabilities, costs and expenses exceeding the maximum amount recoverable under the Hull & Machinery policy, unless special terms of Entry have been agreed and the Certificate of Entry endorsed accordingly.

Rule 25 ix- Towage:

The expression "towage" in the Rules includes any operation in connection with the holding, pushing, pulling, moving, escorting or guiding of or standing by of the "towed" vessel.

Reference to "habitually towed" includes, inter alia, dumb barges.

Cover in respect of liabilities under other special or dedicated contracts may be possible, but only subject to the Managers' approval prior to the towage and special terms of entry being agreed and endorsed on the Certificate of Entry.

The Directors may in their absolute discretion reject or reduce a claim if they consider it was unreasonable, having regard to all the circumstances of the case, to have entered into the particular contract.

Without prejudice to Rule 23 (Double Insurance) there shall be no recovery from the Club where the liabilities, costs or expenses are covered or deemed to be covered under the Hull & Machinery Policy of the entered ship.

Members are reminded that with regard to tugs, pushboats and any other type of vessel performing operations as mentioned under the expression "towage" cover is excluded for liabilities in respect of damage to and / or caused by the towed or pushed object including the cargo therein, up to the entered vessels' Hull and Machinery insured value.

Rule 25 x – Contracts and Indemnities:

Members are reminded that cover is excluded for liabilities arising under the terms of an indemnity or contract, unless prior approval has been obtained and special terms of entry agreed and endorsed on the Certificate of Entry.

Note: to avoid cover being prejudiced it is strongly recommended Members do not contract on an individual basis in respect of the normal operations of the entered ship without consulting the Managers.

Rule 25 xi - Removal of Wreck:

Members are reminded that where the liability arises, or the costs or expenses are incurred, under the terms of any contract or indemnity and would not have arisen but for those terms, such liability, costs or expenses are only recoverable if and to the extent that:

- (i) those terms have been approved and special terms of entry agreed and endorsed on the Certificate of Entry,
- (ii) the Directors in their absolute discretion decide that the Member should be reimbursed.

Where the liability arises, or the costs or expenses are incurred at a place owned, leased or occupied by the Member, the Member shall be entitled to the same rights of recovery from the Club, and the Club shall have the same rights as if the place were owned, leased or occupied by a third party, provided that the total liability of the Club in respect of any one incident shall not exceed the sum of USD 1,000,000 unless the Managers have agreed to provide additional cover upon such terms and conditions as they think fit and endorsed on the Certificate of Entry.

Without prejudice to Rule 23 (Double Insurance) there shall be no recovery where the liability, costs or expenses are covered or deemed to be covered under the Hull & Machinery Policy of the entered ship.

Rule 25 xiii - various Cargo aspects:

In relation to the proviso thereunder, a claim by the Member will not be rejected or reduced where the contract of carriage under which any cargo is or is intended to be carried on, in or by the entered ship on any voyage, is subject to terms no less favourable to the carrier than those of the Applicable Law.

Cargo carried by the entered vessel includes cargo on, in or by any other ship, lighter or barge or similar floating object, when it is actually carried as cargo in or on the entered vessel or such other ship, lighter or barge or similar floating object forming part of a combined unit which includes the entered vessel. Any such ship, lighter or barge or similar floating object in a combined unit as aforesaid is not itself considered to be "cargo" for the purposes of this Rule.

Rule 25 xiii - specific Cargo aspects:

- (a) Cover includes the liabilities and additional costs and expenses incidental thereto, (over and above the costs which would have been incurred by the Member under the terms of the contract of carriage), incurred by the Member in reducing, averting, mitigating or minimising any loss, shortage or damage to cargo provided that there shall be no right of recovery unless the action taken by the Member has been approved by the Managers or the Member proves to the satisfaction of the Managers that, having regard to all the circumstances prevailing at the time, the Member acted with utmost care to prevent or reduce possible claims. In the case of temporary storage being required whilst awaiting re-coopering or repacking or after such re-coopering or repacking until delivery or on-carriage, cover shall only be available if and to the extent that the Managers have given their prior written approval.
- (b) NOTE: In the case of cargo carried in open holds there will be no right of recovery from the funds of the Club unless, in addition to anything provided for elsewhere in the Rules or terms of entry, the cargo is suitable for carriage in open holds and such carriage (a) has been agreed with the Shipper in writing or (b) either is in accordance with the customary practice of the particular trade or is required by Regulations in force.
- (c) Excluding the carriage, storage or any other activities involving cargoes which are subject to the G7 Russian Oil/Petroleum Price Cap Scheme, and any amendments thereto.

Rule 25 xiii proviso (iii) - Deviation:

Cover includes liabilities, costs and expenses arising from a deviation, in the sense of a departure from the contractually agreed voyage or adventure, or from events occurring before, during or after a deviation, if as a result of such deviation the Member is not deprived of any defences or rights of limitation which would otherwise have been available to him to eliminate or reduce his liability.

Rule 25 xiii proviso (viii) (b) – Delivery of Cargo:

Where for the "inland" trade cargo is carried without the issuing of bills of lading, there shall be no right of recovery from the Club unless the Member proves that such carriage is customary in the particular trade and at the particular port or place, and the Managers are satisfied that the Member took all reasonable steps to ensure the cargo was delivered to the rightful Owner.

Rule 25 xiv – Cargo's proportion of General Average:

A claim by the Member will not be rejected or reduced where the contract of carriage under which any cargo is or is intended to be carried on, in or by the entered ship on any voyage, is subject to terms no less favourable to the carrier than those of the Applicable Law.

Rule 25 xvi (a) to (d) - Fines:
